The Council For Tobacco Research - U.S.A., Inc.
900 Third Avenue
New York, N.Y. 10022
UNITED STATES

Dear Madam or Sir:

I am considering submission to the Council of a grant proposal titled "Structure and Function of a Tetrahelical DNA Binding Protein from Mammalian Cells".

Enclosed please find an abstract in which key words are underlined and a summary of the objectives of the proposed research project. In case that this proposal is of interest to the Council, please provide me with forms that will enable me to submit a full proposal.

Sincerely

Michael Fry

Michael Fry Ph.D.
